Under the Development Initiative for Northern Uganda (DINU), a Government of Uganda programme supported by the European Union (EU) and supervised by Office of the Prime Minister, International Institute of Tropical Agriculture (IITA) has received a grant to implement an action, Building resilience to enhance food and nutrition security, incomes and health in Northern Uganda.

The three-year grant action will be implemented by a consortium of partners in seven districts of **Amolatar, Apac, Dokolo, Otuke and Kwania** in Lango sub-region, and **Kapelebyong and Amuria** in Teso sub-region.

IITA is one of the 15 Institutes of the CGIAR global research partnerships with headquarters in Ibadan Nigeria, and in Uganda, permanent offices are in Namulonge and Kampala respectively. IITA is a not-for-profit International Research organization, whose focus is on transforming African agriculture through Agricultural Research for Development as well as Partnership for Development and is governed by the Board of Trustees.

IITA is seeking to recruit qualified persons to fill the above vacancies to support implementation of the action. The positions will be on a two-year contract renewable subject to availability of funds, a successful probation period and high performance throughout the implementation of the project. If you are such a candidate, please visit www.iita.org and click on jobs for details.

Closing Date: 31st March 2020

Only shortlisted candidates will be contact
